A call for applications for consultancy

05 Feb 2018

Rabat Cluster
Office

HACA's gender project entitled **“audiovisual media: freedom of communication and men/women equality”**, which was publicly presented on the 20th of June 2017, enters its implementation phase within the framework of the HACA, UN Women and UNESCO partnership aiming at the promotion of the gender equality culture through the audiovisual media on the basis of the Memorandum signed on the 13th of March 2017.

A call for applications for consultancy is launched for the elaboration of an **“awareness-raising and training kit concerning the fight against gender stereotypes and the promotion of the men/women equality culture within and through the audiovisual media, intended for audiovisual operators and other media professionals”**.
